

# Shibboleth Identity Provider (IdP) Upgrade - Testing

October 2021

INFORMATION AND TECHNOLOGY SERVICES  
UNIVERSITY OF MICHIGAN

# Shibboleth IdP Upgrade Features

- Upgrade IdP from v. 4.0.1 to 4.1.4
  - Includes routine and ongoing security enhancements and feature updates
- Fix for Attribute Release Consent
  - If you were seeing the Attribute Release Consent screen being presented at every login, this will resolve that issue

# SAML/OIDC Test Environment Resources

- Please test your configuration (**by Tuesday, October 26, 2021**), using the testing instructions in the "How to update the etc/hosts file for testing" document below.
- Shibboleth Service Provider Configuration Resources
  - <https://documentation.its.umich.edu/node/287/#test>
- How to update the etc/hosts file for testing
